

FREELANCING COVER LETTER

Hi there,

I am a full stack website developer and CSS expert, envisioned in helping small and medium-sized businesses grow their sales with a custom and well responsive website.

I believe that together we could help grow your business in a meaningful way to increase web traffic and sales

from social media efforts!

Please let me know if you would be interested in discussing this great opportunity further. Looking forward in working with

you.

Best,

Abass Bolarinwa
